## Moody Web Messaging Brand Story

*“But if I say, ‘I will not mention him or speak any more in his name,’ his word is in my heart like a fire, a fire shut up in my bones. I am weary of holding it in; indeed, I cannot.”* Jeremiah 20:9

The Word of God is completely and ultimately declared in the Bible, it is alive, and it is life.

The Word burned in D.L. Moody and it still burns today in the heart of the organization he founded. The Word cannot be contained.

Many people desire to understand God’s Word and what it means for their lives.

People want to know:  
How should I think?  
How should I feel?  
How should I live?  
What is truth in a culture that makes everything relative?  
Moody answers. From the Word.

Moody interprets God’s Word so that people can more fully know the depth of its truth and the height of its brilliance. There’s always more: deeper, higher, further. We’ll never be done.

But it’s not enough to have knowledge of God’s Word.  
There is a knowing that goes beyond knowledge: it’s in the heart, it’s in the soul.  
This profound knowing is not meant to be kept inside, we must express it.

Moody is committed to living the Word, embodying the truth of Jesus Christ, displaying its power to speak into real issues that matter today.

Every moment offers an opportunity to apply the Word to life:  
a teacher and students engaged in dialogue,  
a listener whose preconceptions are challenged,  
a reader whose heart races with new understanding.  
Have you experienced a moment like that?

Moody prepares the heart for moments when the Word leads to life. Again. And again.

It is possible for you to be more alive tomorrow than you are today.
